

1. HEALTH & SAFETY:-

- 1.1 Health & Safety legislation does not generally apply to someone who is not an employer, self-employed or an employee (see <http://www.hse.gov.uk/contact/faqs/charities.htm>). Nonetheless, the Trustees require all members of the Charity to be guided by H&S requirements, and to do all that is reasonable and practicable to prevent personal injury to anyone working on or visiting MV Freedom.
- 1.2 A full Risk Assessment will be prepared by the Hon. Secretary in respect of matters directly connected with the management and use of MV Freedom.
